

台灣與泰國飲料加工技術合作會議

Taiwan-Thailand Beverages Processing Technology Cooperation Conference

Objectives:

Taiwan beverage industry is well matured in technology and market with more than 400 new products launched each year. Processors success in the competitive market relies on high efficiency and flexibility in production. Taiwanese process system suppliers provide processors technology integration in automation and turn-key solutions. This strong alliance makes small and medium size beverage processors remain in cutting edge competition. In this conference, beverage process system suppliers in Taiwan will share their success stories and seeking outreach cooperation with beverage processors in Thailand.

Organizer:

Taiwan: Food Industry Research and Development Institute (FIRDI)

Thailand: National Food Institute, MOI (NFI)

Sponsors:

Yung Soon Lih Food Machine Co., Ltd.

Taiwan Benefit Company

Chieh Song Company

Venue:

Nazarath 2 Room, Avana Bangkok Hotel

900 Bangna – Trad Rd. Km. 2 Bangna Bangkok Thailand 10260

Date:

Friday, June 14, 2019
